VOL. 34 BARIUM SPRINGS, N. C., APRIL 1956 NO. 4

Commencement Set And Speakers Are Chosen

The finals for the Class of 1956 will begin on Sunday, May 13th. Dr. Ernest A. Beaty, professor at Davidson College, will be the guest minister at the eleven o'clock hour at Little Joe's Presbyterian Church. This year's class will be the first to have their baccalaureate sermon in the new church. The graduating exercises will be held on Monday morning, May 14th, at eleven o'clock at the Elementary School building on the Barium Campus. Dr. Samuel Spencer, professor and dean of students at Davidson College, will be the guest speaker.

The eleven seniors, three girls and eight boys, who will be completing their stay at the Home are: Martha Evans, Joyce Ferrell, Nellie Rae Sellers, Ernest Austin, Jim Campbell, Charles Creech, Jim Harwell, Ralph Joyner, Frederick Lentz, Clayton Miller, and Boyce Dean Smith.

Conference Held In Atlanta

The fifty-first annual meeting of the Southeastern Conference of Workers in Homes for Children was held in Atlanta, Ga. the first week in April. President A. D. Leon Gray, superintendent of the Oxford Orphanage, Oxford, N. C., presided over the meetings which included the institute "Religion in the Home" by Dr. William B. Oglesby, Jr., Department of Theology at the Union Theological Seminary in Richmond, Va., a dinner meeting with the president's address, business sessions by the conference, and a special meeting of the executives of the Homes with the Executive Director of the Child Welfare League of America, Joseph H. Reid. A special session was held for the case workers and the houseparents under the leadership of Ethel Barger, Washington, D. C., formerly director and case worker of Children's Homes in Ohio, New Mexico, and Illinois.

Attending this conference from Barium Springs were Miss Kate Taylor, supervisor, Miss Rebekah Carpenter, case worker, and A. B. McClure, superintendent.

Old Church Building Removed From Campus

The Crouch Brothers House Movers are in the process of removing the old church building. The general condition of the structure did not warrant its being transformed into something other than a church building. It was carefully inspected by several builders and the unanimous opinion was that the only satisfactory manner for handling it was to remove it entirely. Three small windows have been preserved and will be placed in use again. Some of the Negro members of the staff have requested the pulpit and communion table for their church and this request will be granted.

As this building is dismantled, there is a general feeling of gratitude on the part of all those who behold the operation; gratitude for the fine service rendered and for the magnificent things that have happened within the walls of this building and gratitude for the lovely new church which stands at the north end of the campus and continues to be a great inspiration to all.

Fiscal Year Closes Auditors Coming

March 31st closes another year's operation for the business office of the Home. Miss Juanita McInnis, the treasurer, and the other members of the office will be busy preparing for the auditors to review the books. No exact statement can be made concerning the income and expenditures until the auditor's report is in; however, a general summary indicates that the annual operation was without deficit and within the approved budget of the Board of Regents. The Thanksgiving Offering, while it did not reach the goal set by the Synod, was about one thousand dollars more than the previous year. Other income from the churches was about the same as for last year. The detailed report of the auditors will be placed on file in the Synod's office as soon as it has been received by the Board of Regents.

"WHEN THE BOUGH BREAKS"

This is the title of the new film which tells the story of Barium Springs. It's running time is twenty-five minutes. It is 16mm in sound and color. This film may be booked through the business office of the Home. Write for your copy in plenty of time to have it on the day you wish to show it.

NEWS FROM THE COTTAGES

Rumple Hall

Hi Folks—

Since we did not have any news last month I'll try to make up for it this time with lots of news.

I hope everybody had a happy Easter—I know we did. We made cookies and had a special supper Saturday night. I know everyone enjoyed the beautiful Sunday service. Most of the girls here took part with the music which was very pretty and we all enjoyed it very much. We all had lots of fun hiding eggs and doing things like that, but what we think of most at Easter is Christ who was crucified that our sins might be forgiven and who rose again on the third day. We should always keep that in our hearts.

We are looking forward to the Piano Recital and to hearing the piano pieces of Patsy Porter, Pat Ross, Marcia Lewis, Wilma Bush, and Helen Spencer especially since they all live at Rumple Hall, but of course, we are looking forward to hearing the others also. Later in the month the older girls will be playing in a recital and Nancy Farris and Lillian Baucom will take part from our cottage.

Our girls are still trying hard to recite the Shorter Catechism. Some of us are hoping to recite it soon. One of our girls has learned to sew. Helen Spencer has made a dress and a skirt. Nancy Farris is also learning—she works at the sewing room and has helped make some of the Easter dresses. Nancy is also learning to cook. Last Saturday Carol Moore helped to make a cake.

Another report period starts this week and we will all be studying hard to make our grades as this is the last one of the year. See you next month.

Infirmary

Hi There—

Here we are back again with some cottage news. You have not heard from us in a long time so we will try to tell you what we have done lately.

Last Tuesday night we had the basketball banquet. Both of our girls, Nellie and Shelby, got letters for playing on the varsity team. We had a dance afterward which we enjoyed very much. Recently we were entertained by Bob Brown's Circus which was very interesting and educational. A few weeks ago we went to Statesville to see a very interesting and amazing show about hypnotizing. A few of our students volunteered to go on the stage and be hypnotized.

The Junior-Senior banquet is coming up soon and everyone is really working hard.

At the present we have two patients. Forrest Spencer has been with us for awhile and Lillian Baucom has a broken ankle.

The eighth grade presented a one-act play last Friday which was very good. They all did their parts well.

At last, Spring is here and are we glad! That means only six more weeks of school for us!

Well, so long until next time.

BARIUM'S MOST VALUABLE PLAYERS, CAPTAINS ANNOUNCED AT BANQUET

By JERRY JOSEY
Record & Landmark Sports Editor

Barium Springs. — Permanent captains and selection of the most valuable players on both varsity squads highlighted the annual Barium Springs basketball banquet held here last night on the Presbyterian campus.

Following a steak dinner, featured along with fried oysters and all the trimmings, Coach Archie Calhoun announced the selections which were voted on yesterday by the varsity squads.

Shelby McEwen was named permanent captain of the girls team and a three-way tie for most valuable player between Janet Woodall, Nancy Ferrell and Nancy Kyles was revealed by Calhoun. It was the first time in history, as far as anyone knew, that a tie for the MVP award had ever existed in Barium Springs' athletics.

Center Ernest Austin was named captain of the Tornado five and Walter "Dub" Plyler, a forward, was selected as the team's most valuable player. Austin is a senior and Plyler a junior.

Recapping the basketball season, Calhoun recalled an incident that occurred at Barium earlier in the year. A visiting coach was talking about some of the big schools in the conference that were dominating athletics. He had only 368 students in high school.

Calhoun said he replied "Sir, my heart bleeds for you deeply!" Barium is lucky to be considered in a class with 25 or a very few more in high school.

Pointing out the size of some of the other schools the Tornadoes played this season, Calhoun revealed figures from last year listing Asheboro (638), Lexington (725), Statesville (606), Thomasville (506), Mooresville (522) and "little old Kannapolis" (1,274). He said Barium definitely was playing out of its class as far as size of schools were concerned.

Calhoun pointed out that Barium again finished its athletic year in football and basketball without a single technical foul being called

after school. One said that there were no Indians in America. Another one said there were too—she said that they were even civilized because Davy Crocket said "Get Civilized," and they did. (If you don't believe me you just ask my teacher.)

The same group of children were playing hospital. They doctored both children and dogs. Dr. Kirk was the doctor. (He really is our dentist—wonder how many of the dog's teeth he pulled.)

The other night Rita had her doll out in the middle of the floor playing with it. After awhile she said she was teaching her to be an alphabet—she meant acrobat!

We were so thrilled with the weather the other day that we got out and picked up all the rocks and sticks in our yard. After supper we went out and picked up a wagon load of popsicle bags and sticks. We don't like paper on our campus because it ruins the looks of our beautiful "palace grounds."

We forgot to tell you last time that we had eight girls on the honor roll. We figured you would see their names in the paper.

Well, this is all of our good humor medicine this month—be sure and look for us next month.

The "Crisco" Kids

Sanford Cottage

We have been living in our new building for almost a year. It is really nice to have a cottage all on one floor and everything new. This week we received some beautiful colored bedspreads from a Circle in Gastonia. We have been enjoying using our two dining room tables which we have not had very long.

Since we have a new stove in our cottage, we have been making good use of it by baking cookies and birthday cakes. Connie Webb, the youngest member of our family, celebrated her seventh birthday on March 28th and was delighted with the party and some nice gifts.

Mr. R. B. Sanford from Mocksville and his sister from Tennessee were recent visitors to our Home. They are members of the Sanford family for whom our building was named.

Sanford Cottage Girls

Howard Cottage

Hi There—

It's us again—the Bean Stringers. We have a lot of things to look forward to. The Piano Recital will be on April 3rd. We have three girls from Howard in it, Nancy Joyner, Victoria Brafford, and Brenda Shepherd. Three of the big girls were invited to the party at the Quads. They were Elva Medlin, Vicki Brafford, and Brenda Shepherd. We had a wonderful time.

Our six big girls, Elva Medlin, Nancy Joyner, Beverly Hyde, Vicki Brafford, Brenda Shepherd, and Martha Trivette sang on last Sunday. They are in the Girls' Choir. Also, our girls in the third, fourth and fifth grades are singing in the congregation Sunday.

We have five birthdays in April. First of all we have Miss Sims': we can't wait until her birthday (Surprises!) Diane Mobley, Jeanette Grier, Beverly Hyde and Brenda Shepherd also have April birthdays.

We will be seeing you again next month.

The Bean Stringers

Quads

Another improvement has come to the boys at the Quads. New springs and mattresses were bought for the beds and we were glad to get them for many of the old mattresses were one foot in the grave and not much brains at the head. The new springs and mattresses make the rooms look better too. Speaking of rooms, we have been taking better care of them, waxing the floors more often, etc.

Many of the boys had no suits for dress-up occasions, but now we are fixed up pretty neatly. Boys of the sophomore and junior classes were given new suits and we got them in time for Easter.

Now that spring is here, so is softball. It is about time to choose teams. Every year we boys have four softball teams. We play on Friday, having two games. On March 20th we had our annual Basketball Banquet with a dance in the Gym afterwards. The Junior-Senior banquet will be held on Friday, April 13th.

Lottie Walker

The news this month at Lottie Walker Building is very brief. The most exciting event this month was the basketball banquet and dance. Girls receiving letters in basketball from our cottage were: Joyce Ferrell, Nancy Ferrell, Bernice Kuykendall, Peggy Sellers, and Janet Woodall. We are especially proud of Nancy and Janet who, with Nancy Kyles, shared the title of "Most Valuable."

Easter will be here soon and the junior girls will be wearing the new hats and gloves bought for them by the Home. Bernice was one of the lucky girls.

Joyce Ferrell, Nancy Ferrell, Barbara Porter, Shelby Faulk, Margaret Ramsey, Bernice Kuykendall, Linda Byrd, Mary Jane Bolton, Peggie Sellers, Ann McLean, Susie Blackburn, and Margaret Farris are the girls taking part in the piano recital.

See you next month.

The Lottie Walker Girls

Jennie Gilmer

Here comes the hurrying crew! We get up at five o'clock in the morning and hurry into our clothes to get to the dairy; we hurry with our work back to the cottage; hurry with a shower so we may be on time for breakfast.

We have two new boys in our cottage, Walter and Edward Barefoot—this makes twenty, so you see our housemother, Miss Edwards, has lots of hurrying to do also.

We had a wonderful Easter at Barium Springs, with all of the beauty that God has given and with new life all around us.

FROM LITTLE JOE'S CHURCH

ROBERT R. COLLINS, *Minister*

The custom of receiving the members of the pastor's communicants' class into full membership of the church at Easter was followed this year. I would like to say again that working with these young people and seeking to prepare them for church membership is one of the most challenging and meaningful parts of the work at Little Joe's Church. We covet your prayers that the faith these boys and girls have professed may grow into one that will produce lives that are mature in Christian character and service.

The following young people were received by profession of faith, having previously been baptized: Mary Jane Bolton; Mary Pamela Fair; Edwin Kenneth Kyles, Jr.; and Patricia Barron Porter. These were received by profession of faith and baptism: Charles Edward Barefoot; Shirley Ann Faulk; Jeanette Elizabeth Grier; Hugh Milton Pinkston; Elmer Jerome Ruff; Scotty Gene Taylor; and William Dempsey Tyndall. By transfer of letter: Martha Trivette.

Special services marked the observance of Easter at Little Joe's Church. Wednesday our prayer service emphasized the meaning of the Lord's Supper in preparation for the sacrament on Sunday. A Good Friday service was provided with beautiful music under the direction of our organist and choir leader, Miss Charlotte Calhoun. At the eleven o'clock service on Easter as well as at the five o'clock Vesper service our Junior, Intermediate and Adult Choirs added much to the loveliness of our worship services.

Our thoughts turn to Pentecost and the coming of the Holy Spirit following Easter and the awakening. May the power of the Spirit be renewed in your hearts, homes, and churches in the months ahead. We remember you with thanksgiving often in our prayers and ask that you pray for the guidance of God's Spirit in all that we do in the name of Christ, Under the Steeple.

BARIUM'S MOST VALUABLE PLAYERS, CAPTAINS ANNOUNCED AT BANQUET

(Continued from Page One)

for unsportsmanlike conduct against the Tornadoes.

Calhoun summed up the cage year as a "tremendous season from the standpoint of things that really count."

Barium's junior girls, all seventh and eighth graders with the exception of two ninth graders, had a record of 0-2 this year. Members of that squad were Lillian Baucom, Victoria Brafford, Celia Donaldson, Edna Evans, Nancy Farris, Carol Harwell, Faye Hicks, Beverby McClure, Betty Lou Mitchell, Nancy Mobley, Carol Moore, Barbara Porter, Marie Rutledge and Jackie Taylor.

The junior boys team had little trouble in compiling a 3-0 record. That squad listed only two boys below the ninth grade. Calhoun pointed out that several of the boys will give the varsity a hard time next year. "I've already given these boys instructions to grow," Calhoun said. Two of the boys have already put on over one and one-half inches of height since school started.

Squad members receiving their awards were: Richard Blackburn, Jimmy Burnell, Buddy Cochrane, Donald Frazier, Kenneth Joyner, James Kiser, Ricky McArthur, Dickie McKenzie, Joe Ramsey, Randy Shaw and Wayne Wright.

Barium's varsity girls experienced one of their most disastrous seasons in history, but Calhoun said they "did better with what they had than any team I've had." Barium lost seven of eight top players last year via graduation and had only two girls on the squad that had started a game before. Of this year's squad of 14, 12 will be returning next season.

The varsity girls squad consisted of Shelby McEwen, Bernice Kuykendall, Nancy Ferrell, Peggy Sellers, Joyce Ferrell, Nancy Kyles, Nellie Sellers, Janet Woodall and Judy Bolton.

Calhoun said the Barium quintet compiled the "best record Barium Springs has had in the last six years" with their record this season. The Tornadoes had a 9-5 conference mark and took fourth place in the North Piedmont Conference final standings.

Only two seniors are on the squad—Center Ernest Austin and Guard Boyce Dean Smith. The rest of the squad will be back, along with members of the junior team, to give Barium one of the top clubs in the conference next season.

Squad members receiving their letters were Walter Plyler, Lawrence Ramey, Ronnie Hudgins, Ernest Austin, Ray Smith, Boyce Dean Smith, Lawton Rice and LeNair Burns.

The Barium Springs Glee Club, under the direction of Miss Charlotte Calhoun and accompanied by Mrs. Lee Spencer, rendered four selections following the presentation of letters.
